

InGround Packages Include the Following:

CONSTRUCTION	DETAILS
Lifetime Warranted Galvanized Steel Walls	American-made, strength and dependability. Locally manufactured @ Imperial Pools in Latham, New York.
Vermiculite Floor	A concrete composite that is “softer” and more forgiving than abrasive concrete. More expensive and labor-intensive for US, but it's worth it!
Deluxe Wall Foam	Helps to protect your vinyl liner and is kind to swimmers!
Heavy Gauge Vinyl Liner	Beautiful virgin vinyl liner with sunshield protection – so many designs to choose from! Carries a 15-year warranty!
Concrete Receptor Coping	Making your concrete decking to the pool edge seamless
8 Foot Polymer Walk-In Stairs (Saratoga Step)	Aesthetically pleasing polymer steps – nonskid and easy to keep clean. Measures above and beyond your pool size without taking away from useable pool area.
100 PSI Poly Pipe (Insect Proof)	Prevent ants and termites from destroying pool plumbing – not all builders use it – we insist on it!
PVC Unions (Easy Maintenance)	Never struggle with plumbing – unions keep pipe sections easily accessible and allows for proper winterization.

POOL EQUIPMENT	DETAILS
Hayward Permaglass Super Pump	Powerful, genuine Hayward super pump. Turns over water quickly and efficiently – designed to do so in an 8-hour cycle!
Hayward Sand Filter	Genuine Hayward, low-maintenance sand filtration system
New Advanced Filtration Media	ZeoSand – filters the finest particles out of your pool water and helps to keep chlorine use lower
Hayward Widemouth Skimmer	Genuine Hayward skimmer – pulls in pool water over a wide surface area and sends it through your system for filtration
Deluxe Stainless Safety Ladder And Handrail	Beautiful stainless and sturdy handrail with a matching ladder in the deep end.
Hayward Auto Chlorinator	Load chlorine tablets in it and forget it!
Hayward Navigator Auto Cleaner	Easy, automatic pool cleaner, so you don't have to vacuum!
Solar Cover	Floats on the surface of your pool water and helps to attract heat, maintain heat and keeps chemicals active longer
Safety Rope	Indicates a clear boundary between the shallow end and the beginning of the deep end
Thermometer	Accurately reads you pool water temperature
Winter Cover And Water Bags	Durable winter cover and water bags to apply weight to the cover once on pool

MAINTENANCE EQUIPMENT	DETAILS
Pool School	We aim to educate all of our new pool customers – we will teach you about your equipment and how to use it
Free Service Calls For First Season	Should you need service, simply call
First Year Winterization And Closing	We will fully close your pool for the winter season
Computerized Chemical Balance	Sophisticated, professional water analysis – we guide you in chemical applications
Low Chlorine System	Utilizing a Borate compound – this additive binds with carbon dioxide inhibiting the growth of algae - helping your pool water use less chlorine
16 Foot Telescopic Pole	Expandable, universal pole for all of your pool care attachments
Deluxe Hayward Super-Vac	Quality Hayward vacuum head for manual cleaning of floors and walls
Wall Brush	Durable brush safe to use on vinyl to brush walls and floor clean
Skimmer Net	Durable net to remove small particles off the surface of the pool water
Easy Test Strips	Quick and easy home testing
